Dear Parent/Carer

Re**: Donation of unwanted school uniform items**

Wollaston School is introducing a system to sell reconditioned uniform items at a low cost. The aim is to help families who are on a low income, or need a replacement item and only have a few months remaining at school.

In order for this to happen we are asking Parent/Carers to donate any good condition uniform items that are no longer needed. These items will be washed and pressed in school ready to re-sell in our school shop.

As a school we would like to put something back into Wollaston community so we hope the proceeds from the sales will help fund the Wollaston School pensioners Christmas party held each year.

If you wish to donate any unwanted items please hand them into reception. Donations will be greatly received throughout the year.

Thank you for your support.

Yours faithfully

K Steadman
