Dear Parent/Carer

As we approach the final run-in to year 11 GCSE examinations, several subject areas will continue to offer revision sessions after school in preparation for the final examinations which commence on 4th May 2017. A copy of the revision session schedule is attached.

In previous years there has been a problem for some students in attending such sessions because it has been difficult for them to find transport home at 4:15pm after the majority of revision sessions finish.

Last year we were able to provide transport home for three designated routes. This proved to be very successful so we are pleased to advise this service will be offered again this year. The likely start date of this service would be from Tuesday, 28 February 2017, and therefore it will be helpful to have a prompt response so that we can book coaches to meet student demand if this is sufficient.

The likely drop-off villages would be as follows, though I must emphasise that this is dependent on student demand.

Route 1	Route 2	Route 3
Great Doddington	Irchester	Bozeat
Earls Barton	Rushden	Grendon
Cogenhoe		Castle Ashby
Brafield		Little Houghton
Denton		
Yardley Hastings		

As there is a significant funding commitment to providing the service, I would need a formal commitment from students and parents of a willingness to attend the sessions on a regular basis. I would therefore ask you to complete the pro forma attached in order that we can assess a genuine demand for transport and identify the days when it will be best to run revision sessions.

Yours faithfully

Ms L Boggis
Assistant Head teacher
