

Wollaston Year 9 Language Leaders at Irchester Primary

On Friday 2nd December 30 of our gifted and talented year 9 linguists spent the day at Irchester Primary school. As part of their training for the Language Leader Award they ran a series of engaging and fun activities for pupils from years 3 to 6. Activities included large scale battleships, recognising musical instruments, Eurovision , racing through hoops and searching for hidden food. They put in a lot of effort to the planning of these activities on Wednesday evenings after school and carried them out with huge energy and enthusiasm on the day. Thank you letters received from Irchester pupils and teachers showed that the younger students really enjoyed and appreciated their efforts. The leaders were pretty exhausted by the end of the day but they all did a fantastic job.

WELL
D

Dear Wollaston M.F.L students

Thankyou so much for helping
me learn a bit of German and
french and Im hoping it will help
me later on in life and I really
took in what you said and I
hope you had a epic and fun
day because I did and it
sounds like the teachers have
been telling you lots and I
hope to see you again in
are school soon.

Dear Wollaston M. students, thank
you for teaching surway's learn Germ
an and French I've had a lot of fun playing
they you've been really funny. Your
awesome tudents. had the most fun
for 2 weeks it's been awesome and cool.
I've learnt alot which is wierd because
I was having fun at the same time.

Thank You!

From Ryan

Dear Wollaston M.F.L. Students

Thank you for teaching us French and
German with the instruments and sport.

I think the best one was the
instruments because it was active.

THANK
YOU

From Freckle

WOLLASTON

School

It would help me in life
when I'm older. I can remember
all of it because I've got a
really good memory.

From Max

and French. It was fun and educational.
My favourite activity was the one
with the instruments but I can't choose
my least favourite. I like that you
didn't just tell us the words
but you made games out of them
from Ty Mammers.

Thank you

Dear Wollaston M.F.L students,
Thank you for M.F.L day. I really
enjoyed learning French and German
and playing fun games. I liked
that all of the students would
help us if we were unsure or
needed any help on understanding.
They were all very kind and
explained everything well. My favourite
part was the instrument game because
the students helped us understand very

man

French

Thank you
