

22nd June 2018

Dear parents and carers,

Sports Day 2018

Our Year 7 & 8 sports day took place on Wednesday and we enjoyed a dynamic series of events. Our aim was to ensure that all students are involved in competitive sports on the day and I am pleased to say that we achieved a full participation rate, with every student engaged in athletics competition as well as house team sports.

All students displayed the qualities of resilience, endeavour and excellent levels of sporting behaviour and fair play. It was a real pleasure to see our students enjoying the challenge of competition, whilst supporting each other and recognising the achievements of their peers.

Congratulations to all and thank you to the PE department for organising the day. Year 9 and 10 sports day will take place on Wednesday 4th July 2018.

Year 10 & Year 12 Internal Examinations

Now that the majority of A-Level and GCSE examinations are complete, our attention has already turned towards preparing our coming Year 10 and 12 students for success in their 2019 qualifications. Students in both year groups have coped with the rigour and formality of examinations extremely well and results will be given to students before the end of term. These results will be used to set targets for improvement as well as highlighting key areas of strength.

We are delighted with the effort and application that students have displayed in preparing for the examinations and we already look well set for a successful 2018-19 academic year.

GCSE BTEC & A-Level Results Days

Students in Years 11 and 13 will be able to pick up their examination results from the main hall at Wollaston School on the following days and times:

- **Year 13** (A-level & BTEC)- Thursday, 16th August 2018 – 9:00am
- **Year 11** (GCSE & BTEC)- Thursday, 23rd August 2018 – 9:00am

On both days, members of staff will be available to assist students and parents with any enquiries or concerns regarding the results themselves, or entry criteria for the next stage of their education. On the Year 13 day, this will be primarily concerned with university admissions, for Year 11, staff will be on hand to help with Wollaston Sixth Form admissions and entry requirements, as well as help for those leaving to enrol on college courses.

Former student Stars in Starlight Express

We are pleased to pass on news that former student, Rochelle Jackman (now known as Rochelle Sherona) is currently starring in Andrew Lloyd Webber's professional production of Starlight Express in Bochum, Germany. Rochelle plays the part of Belle and further details can be found in the Starlight Express Wiki page: http://starlightexpressmusical.wikia.com/wiki/Rochelle_Sherona.

My congratulations to Michelle who was an active member performing arts faculty at Wollaston school and it is exciting to learn of where a Wollaston education can lead.

Thank you as always for your support of Wollaston School. We are absolutely committed to providing the highest standards of education possible and if you have any questions or concerns, please do not hesitate to get in touch with us via email on office@wollaston-school.net.

Yours sincerely,

A handwritten signature in black ink that reads "James Birkett". The signature is written in a cursive style with a large initial 'J' and 'B'.
