# Uniform Policy

At Wollaston we believe that a school uniform gives a sense of belonging and pride in the school whilst ensuring equality amongst students.

In addition, a smart appearance contributes positively to the students' attitude to work and study; it also influences how the school is portrayed to the general public and visitors to the school.

This booklet sets out our uniform expectations and should provide you, the parent/carers, with the information you need prior to purchasing items.

In order to ensure your son/daughter meets our uniform expectations, please take the time to look at the images included - whilst this is not an exhaustive list it does provide clear guidance on what is and what is not acceptable.

School uniform items can be ordered online via our school website [www.wollastonschool.com](http://www.wollastonschool.com) and collected from our school shop within 24 hours of payment (assuming the item is in stock). Our refund and exchange policy can be found on our website.
