Excellence in Education

Year 7—Transition Task 3 2020-2021

Wollaston School—Transition Quiz.

We would like you to develop your knowledge of the school; research using the school website or if you have a sibling who attends the school, ask them to help you. You must answer questions 1-15 below. To help you please visit www.wollastonschool.com

You will have to go beneath the surface of the website to find some of the answers. That will include looking in the transition section or you could test your memory if you have already received your video call this week—I have been giving some clues during my presentation.

The highest scoring entrant will be rewarded with a prize when we meet you in September, answers should be submitted to me using Beebyk@wollaston-school.net by Friday 10 July at 4pm.

If the result is a tie we will use the tiebreaker question to determine the winner, so please submit an answer to this question too!!

Please clearly mark your entry with the word **QUIZ** and your full name in the subject box e.g. **QUIZ MR BEEBY**.

Good luck.

Mr K Beeby.

1. How many houses are there at Wollaston School? For a bonus point, name them all.
2. Who are the current house champions?
3. At what time does registration officially start?
4. Who will be the Year 7 Student Manager in September?
5. What is our school motto?
6. If you have forgotten, lost or broken your bus pass who would you see to provide you with a temporary bus pass? For a bonus point, what colour would it be?
