

Wollaston School: 2021/22 German Programme of Study

Curriculum Aim & Scope:

- At Wollaston, the MFL curriculum provides students with the opportunity to study a wide range of themes, increasing their knowledge of vocabulary while building their understanding of different structures and how language works. Students are able to express their opinions on a variety of topic areas relevant to their everyday lives. Students are also encouraged to see themselves as global citizens. They recognise that language learning is a lifelong skill, developing listening, concentration and social skills through partnership and group work, and thus enhancing their self-esteem. Students learn to appreciate the importance of communication skills in the modern world of work. They develop their self-confidence and resilience through challenging work, enabling all learners to make the most progress they can.
- All Keystage 3 students are assessed in Listening, Speaking, Reading and Writing at the end of every term.
- All Keystage 3 students are tested on 2 lists of vocabulary each term. Vocabulary A and B
