Dear Parent/Carer

Summer Results Day 2021: Thursday 12 August 2021 – Year 11

We hope this letter finds you and your family well and you are looking forward to what is the promise of a return to the way of life we are more accustomed to. It has undoubtedly been a challenging time for all, and we are grateful to have a strong and supportive school community that has allowed us to face these challenges with resilience and kindness.

It seems strange to be writing to you about Results Day in the absence of a traditional exam season, but here we are.

We have considered the guidance carefully as set out by the DfE and our consultation with Public Health Northamptonshire, and we are delighted to report we will be able to welcome students into school to collect their results on 12th August 2021.

We would encourage, in line with the guidance from the DfE, that you carry out a Lateral Flow Test prior to attending and of course do not attend if the test is positive or you display any symptoms. We will have well ventilated spaces for collection of results, and we will encourage all those on site to practice good hand hygiene. Please can we seek your support further and ask that only students enter the school site, parents and carers are of course welcome in the car park or surrounding outdoor space. Students can collect results in person from the Main Hall via the school's main entrance between **8.45am and 10.45am**.

We do of course understand if you do not wish to come and collect in person and to this end, we will be releasing KS4 results via Edulink at **8.30am on Thursday 12 August 2021**. Please note you will need to have your school login details to access Edulink. In advance of results day, we would recommend students follow the instructions below:

1. Use the this link to go to the Edulink website: <https://www.edulinkone.com/#!/login>
2. Type in Wollaston as the school ID
3. Click on the white Microsoft 365 box and then log in using your school username and password

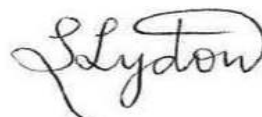

We will be available on the day to respond to queries onsite and via email and offer our support. Please send any queries to results@wollaston-school.net.

We would like to take this opportunity to thank you for your incredible support, not only in recent months but over the years of your young person's journey here at Wollaston. Whatever the onward destination for your son/daughter we wish them every success in the future.

Best wishes

Ms A Walker
Head of Year 11

Mrs S Lydon
Deputy Headteacher
