Dear Parents

RE: WOLLASTON SCHOOL SIXTH FORM OPEN EVENING – THURSDAY 3rd NOVEMBER 2022, 6.00PM START

As I am sure you will hear a lot over the next nine months, Year 11 is a crucial year for your son or daughter. One of the important decisions they will have to make is what they will do next year. As Assistant Headteacher with responsibility for the Sixth Form I will be working closely with Year 11 students to ensure that they have lots of opportunities to find out more about what is on offer at Wollaston Sixth Form.

As part of this process, I wanted to draw your attention to one particular event, the Sixth Form Information Evening on Thursday 3rd November. **Save the date!** It is a crucial evening, a chance for you and them to talk with staff, students and hear more about the different opportunities available at Wollaston School. The evening will begin with a presentation to a parents and students at 6.00pm in the Main Hall.

Please use the online booking system at Eventbrite using the following link

Following the evening we are organising a number of different events for your son/daughter to attend in the school day, such as:

- Presentations from current Sixth Form students discussing how they chose their subjects, different learning styles, life beyond subjects in the Sixth Form
- Subject specific sessions discussing the content and future opportunities that are provided by each subject
- Opportunities to join in with some of the Sixth Form activities through the year.

At Wollaston Sixth Form our core aim is to help every one of our students achieve their individual goals. Despite the disruption of the last couple of years we are still very proud that we have been able to do this. Every one of our students who wanted to attend university secured a position including those who are now undertaking courses such as medicine and mathematics or attending some of the top dance schools in the country such as the Northern School of Contemporary Dance. We were also extremely pleased to support students as they were selected for Degree or Higher Level apprenticeships, a route which is becoming ever more popular. Whatever your ambition, we will work with you to help you achieve it.

Should you have any queries please don't hesitate to contact me or any of the following members of staff at school:
