

We are looking for Wellingborough residents 15-18yrs who have an idea that could make a positive change to a local issue, especially something which directly impacts the lives of local young people.

Our free summer Social Entrepreneur programme provides support and funding over the summer holidays to make the idea a reality.

You can come as an individual or a group, with just the start of an idea or something that is totally worked out. We will be flexible so we can adapt time, location etc to suit you. What we really care about is finding young people who are motivated to do something to benefit their local community and would like to get some social action/campaigning/volunteering experience.

We are looking for people to sign up now by emailing becky@madewithmany.org with their name, age, postcode and a little bit about your idea. Then we'll get in touch to discuss. It really doesn't matter how rough or small the idea is. And if your idea isn't suitable for us, we'll do our best to help you find organisations that might be a better fit for you.

The project is made possible with support from The Office of the Police, Fire and Crime Commissioner and Arts Council England and is run in partnership with Made With Many and Support Northamptonshire.

Many thanks,

Becky
